

61st ANUAL
MEETING **ACPO**
BIENNIAL
CONFERENCE **18th**
IAP

IAP-ACPO Joint Meeting 2021

(Hybrid Format)

Cartagena, Colombia 2021 · September 9-10th

***Periodontal treatment in the XXI century:
biological basis and clinical perspectives***

PROGRAM

Sept 9, 2021 Thursday

- 08:00 Welcome
- 08:15 Keynote lecture:
Thomas E. Van Dyke
Rethinking periodontal medicine: Targeting inflammation to control the infection
- 09:00 ***Biological basis for periodontal treatment-Etiology and pathogenesis***
Chair/Introduction:
Lior Shapira and Lina Suárez
- 09:15 Immune response in periodontitis
Gustavo Garlet
- 09:45 Inflammation-mediated polymicrobial emergence and dysbiotic exacerbation
(IMPEDE hypothesis)
Mark Bartold

10:15

Coffee break

- 10:45 Gene expression during the development of peri-implantitis
Lior Shapira
- 11:15 Did omics change periodontal therapy?
Flavia Teles
- 11:45 ***Podium discussion***
- 12:15 Lunch & ***poster presentations and competition***

- 14:15 ***Periodontal treatment: Nonsurgical phase***
Chair/Introduction:
Magda Feres and Andrés Duque
- 14:30 Emerging strategies in nonsurgical periodontal therapy
Raluca Cosgarea
- 15:00 Systemic antibiotics use according to the new classification system
Magda Feres

15:30

Coffee break

- 16:00 Probiotics and prebiotics in periodontal therapy
Wim Teughels
- 16:30 Host modulation in periodontal therapy
Hatice Hasturk
- 17:00 Strategies of oral commensal bacteria to mitigate immunoinflammatory epithelial responses
Octavio González
- 17:30 ***Podium discussion***
- 18:00 IAP board meeting
