MEETING **ACPO**
BIENNIAL
CONFERENCE **18th**
IAP

IAP-ACPO Joint Meeting 2021
(Hybrid Format)

Cartagena, Colombia 2021 · September 9-10th

*Periodontal treatment in the XXI century:
biological basis and clinical perspectives*

PROGRAM

Sept 10, 2021 Friday

08:00 *Periodontal treatment: Corrective phase 1*
Chair/Introduction:
Anton Sculean and Miguel Vargas

08:15 Periodontal regeneration: Role of flap design to optimize the outcomes
Leonardo Trombelli

08:45 Periodontal regeneration: Clinical concepts and long-term outcomes
Andreas Stavropoulos

09:15 Soft tissue regeneration (teeth and implants)
Anton Sculean

09:45 *Podium discussion*

10:15

10:45 *Periodontal treatment: Corrective phase 2*
Chair/Introduction:
Jörg Meyle and Mauricio Gómez

11:00 Implants in periodontally compromised patients: when and how?
Jörg Meyle

11:30 Implants in regenerated bone
Giuseppe Romito

12:00 Management of biologic complications in dental implants
Jamil Shibli

12:30 *Podium discussion*

13:00 Lunch and *ACPO session*

15:00 *Periodontal treatment: Maintenance and emerging concepts*
Chair/Introduction: The importance of the maintenance phase
Klaus Lang

15:15 What is a missing tooth?
Belén Retamal-Valdes

15:45 Putting the mouth back into the body: non-plaque-induced gingival/periodontal conditions
Iain Chapple

16:15

16:45 Integrating genes and dysbiosis: role in controlling periodontal inflammation
Roger Arce

17:15 Geriatric periodontology: Impact of inflammation, prediction of treatment outcomes and maintenance
Alpdogan Kantarci

17:45 *Podium discussion*

18:15 Closing remarks

20:00 Gala dinner and award ceremony
